

LETTER OF REFERENCE

Ms. Erja Mindemann, born on January 31, 2002 in Bad Soden, was employed from January 16, 2023 until April 15, 2023 as an intern in the division Consulting Development with Accenture GmbH. Accenture is a global professional services company with leading capabilities in digital, cloud and security. More than 738,000 people are serving clients in more than 120 countries.

The range of duties performed by Ms. Mindemann specifically included:

- Implementing a dashboard in Streamlit to visualize survey responses from Qualtrics that assess AI maturity within a company
- Implementing a Docker image to ensure equal package dependencies and software prerequisites across the project group
- Support a hosting web application on AWS
- Testing and comparing different graph libraries to consider the usage in a project while using Docker to utilize a Linux environment (network and graph-tool)
- Researching histopathological datasets that can be annotated and masked to create synthetic images
- Researching methods for solving vehicle routing problems with reinforcement learning
- Supporting a PowerPoint presentation for machine learning monitoring

Her very good grasp of situations allowed her to get up to speed quickly in new work situations. She also excelled in regard to her great flexibility and resilience. She consistently demonstrated a high degree of personal initiative and won others over with her highly exceptional work ethic. Ms. Mindemann carried out all tasks very reliably, systematically, independently and with extreme care. She consistently achieved excellent results in the process. We would especially like to emphasize her excellent analytical thinking capabilities.

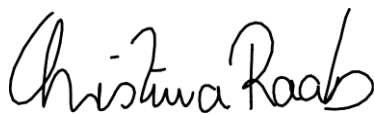

Ms. Mindemann consistently carried out all duties to our fullest satisfaction.

Ms. Mindemann was recognized and very much appreciated in equal measure by superiors, colleagues and clients. She always acted with loyalty towards the company and impressed others both with her personal integrity and her teamwork skills. Her personal behavior was always exemplary.

Ms. Mindemann's working relationship is ending due to the expiration of the contracted employment period. We would like to thank her for her outstanding service and wish her all the best and continued success in her further professional and personal life. We would be very pleased to have Ms. Mindemann apply for a position with us after the completion of her studies.
